Assalamualaikum wa Rahmatullahi wa Barakatuh, Salam Sejahtera, Salam 1 Malaysia dan Salam Integrasi Ilmu Naqli dan Aqli

[Salutation]

1. First and foremost, all praises are due to Allah SWT, blessings and salutations upon our beloved Prophet Muhammad SAW, his Family and Companions. I pray that may we always be guided by Him and stay in their path until our last breath.
2. Congratulation from the bottom of my heart to the committee of Three Minute Thesis or 3MT led by the Honorable Dean of PPS, Associate Professor Dr Janatul Islah Binti Mohammad for the success in organizing the competition. I believe that this is going to be annual event of USIM for years to come, which nicely fit the third pillar of USIM

Strategic Plan 2016-2025: To produce holistic and balanced students.

3. Congratulation should also go to the departments, faculties and anyone else who have directly and indirectly involved in this competition for the solid foundation laid to introduce USIM as the global reference University for the Integration of *Naqli* and *Aqli* knowledge through this competition. I believe that by conducting such activity, our students can be at par with their counterparts from other top ranking universities.

Distinguished Guests, Ladies and Gentlemen,

4. Effective communication skills and mastery in the English language is very important, not only in academia and career, but also in the daily life. This competition aims at enhancing the participants' ability in presenting their thesis in a language that a layman can understand. Participants' creativity is challenged and I do believe that they have worked hard for the competition, with the assistance from the supervisors. I am very excited to watch the performance of the participants today, and I hope that this effort does not stop here.

5. Faculties and Centre of Excellence (COE) shall work collectively to produce students who are competitive; vibrant and able to share the knowledge about the integration of *Naqli* and *Aqli* through significant and high impact research that can benefit *ummah*.
6. I can think no better place than this event for us to explore thought provoking ideas from the participants. Good luck to all the participants and may you treasure this experience as one of your wonderful moments in USIM. With that, I proudly officiate the Three Minute Thesis (3MT) competition.

Thank you.
